Ten Years Strong at Elements Bistro

(January 17, 2018 – Cleveland, OH) Cleveland State University's Elements Bistro on Euclid is proud to announce its tenth year of providing top quality service and an elegant dining experience for its guests. Throughout the decade, Elements Bistro has earned accolades for its innovative food creations, distinguished with local awards and praised for its student-based wait staff.

From February 2nd to February 9th, join Elements Bistro in celebration of its ten-years of operation on the campus of Cleveland State University. This event is open to the public. Ten years ago, Cleveland State University envisioned an elevated level of dining on campus and through partnership with Chartwells Higher Education, founded Elements Bistro. General Manager, Steven Adams has been present since the onset, and has cultivated an array of successes over the last decade. Elements has built a reputation for serving fresh, locally-based, seasonal fare in an elegant and comfortable atmosphere.

During the celebration, guests are invited to sample classic favorites from the past, as well as new dishes from the current menu. Also, diners may partake in giveaways, and enjoy multiple specials and discounts. On February 9th, join Elements Bistro on the day of its ten-year anniversary and enjoy a free slice of their celebratory birthday cake. Call 216.802.3131 for more information about Elements Bistro's ten-year anniversary or to book an event.
